Aloha O'ahu High School Band Directors:

The University of Hawai'i "Rainbow Warrior" Marching Band invites you and your students to join us for our *Annual Meadow Gold High School Senior Night* on Saturday, October 15, 2022 here at the University of Hawaii, T.C. Ching Field. We are inviting High School Band Seniors to participate.

This annual event is an opportunity for senior band students to join us in rehearsal, fellowship, and performance to experience the university game-day atmosphere first hand!

This year our schedule will include a rehearsal here at UH for halftime along with our UH Rainbow Warrior Marching Band. WE will break into sectionals first so that everyone can practice the music for halftime. WE will then all practice halftime together. Immediately following rehearsal the high school students will have an opportunity to share a meal and get to know our current UH Marching Band students and leadership team. Our show this year is all K-pop music.

This opportunity only comes around once a year and we'd love to have your students **JOIN OUR RANKS** for our *Annual Meadow Gold UH Band High School Senior Night!*

Please share this opportunity with your students! We'd love to have you join us for the game as well!

For more information, to register, and to download release forms and music for the event please have them visit:

Please do not hesitate to contact the UH Bands office at 956-7657 if you have any questions.

Looking forward to sharing the field with you!
